## **DETAILED ACTION**

### ***Terminal Disclaimer***

1. The terminal disclaimer filed on May 7, 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,511,583 has been reviewed and is accepted. The terminal disclaimer has been recorded.

### ***Allowable Subject Matter***

2. Claims 1-21 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest a spinal cord removal tool comprising a left and right side blade and a left and right side adjustment mechanism. This limitation, in combination with all of the limitations of claim 1, makes the claim allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
